

## **REGULATIONS OF THE 33rd U13 EURO TOURNAMENT (2018).**

1. The qualification tournament will take place on Saturday August 4th 2018.
2. The qualification tournament is played with several groups of 4 or 5 teams.  
The winner of each group is automatically qualified for the main U13 Euro Tournament on Friday August 10th, Saturday August 11th and Sunday August 12th 2018.
3. By the simple fact of participating in the qualification tournament, the winning teams of each group engage themselves to participate in the main U13 Euro Tournament. Any qualified team, not appearing in the main tournament, will be fined 250 Euros.  
All teams that are not the winners of their group in the qualification tournament, are eliminated and will not participate in the main U13 Euro Tournament.
4. There will be 24 teams competing in the main tournament, divided in 4 groups of 6 teams.  
This year, aside from the winners of each group in the qualification tournament, another 7 Belgian teams and 12 international teams, invited by the organising committee, will participate.
5. The following administrative and technical regulations apply both to the qualification tournament of August 4th and the main U13 Euro Tournament of August 10th, 11th and 12th.

### **Administrative regulations.**

6. Both tournaments are reserved for U13 teams. The players have to be born in the period between 01.01.2006 and 31.12.2007. (Exceptions: see articles 7 and 8.)
7. Some Belgian teams are allowed to select a few older players, born between 01.01.2005 and 31.12.2005, for every match of the tournament:
  - for those Belgian teams, of which their U13-team with the highest ranking is playing in a provincial or regional league, a maximum number of six (6) older players may appear on the competition form;
  - for those Belgian teams, of which their U13-team with the highest ranking is playing in an interprovincial league, a maximum number of three (3) older players may appear on the competition form;
  - for those Belgian teams, of which their U13-team with the highest ranking is playing in a national league (Elite or Amateurs), NO older players may appear on the competition form.
8. Older players who might have a (written) permission of the national football association to play in a younger category for morphologic reasons, will NOT be accepted in the tournament. There are no exceptions to this rule.
9. Each team can invite 1 guest-player of another team, provided that it can show a written permission of that team.
10. Each team has to be in possession of an identity card with a recent photograph on it or an affiliation card to the national federation of each of the participant players in the tournament. Those can be checked before the start of each game and/or whenever there might be a complaint of another team.

11. The matches will be played at the premises of KHO Bierbeek (affiliation number KBVB 3889), Wijnenberg 1 (see also Speelpleinstraat), B-3360 Bierbeek, Belgium (situated next to the Cultural Centre 'De Borre' and the Hall of Sports). Attention: the main field (field no. 2) is made of artificial grass on which it is not allowed to play with metallic studs.
12. Each team can subscribe 16 players, 1 coach and 3 members of staff. ONLY these people will be granted access to the neutral zone of the fields and to the restaurant for the meals. Remark: for foreign teams, an exception on these numbers can be made, providing that a written request has been made at least 1 month prior to the tournament. However, lodging and meal expenses for extra players or extra members of staff will always be chargeable to the participating team.
13. Every team will be offered a lunch (noon) on tournament days. Teams that stay overnight will also be offered breakfast and/or dinner (evening). Every tournament day, EACH team must confirm its presence for the meal(s) of the following day in the secretary's office or administration room. If not, it can be refused to attend the lunch the next day!
14. Every day, a team form has to be delivered in the secretary's office or administration room before the start of the first game. On this form, the names of the players and the official team colours must be entered. Furthermore, the names and the numbers of the 16 players must be entered on a competition form (one for each game).
15. The players' shirts must be numbered. Each number must be assigned to the same player during the whole of the tournament. This is important for the attribution of various awards (best player, best goal getter, best goal keeper, etc...).
16. Each participating team will bring two outfits in different colours. If the two opponent teams appear in the same coloured outfit at the start of the game, the "visiting" team has the privilege of playing in the official colours and the "home" team has to change its outfit. Important: each team should specify its official team colours on the team form. In any case of disagreement, only the colours mentioned on the team form will be taken into consideration.
17. Each team has to be present every day at least one hour before the start of its first game. See the tournament schedule or check our website (<http://eurobierbeek.org>) for more information.
18. During the main tournament (August 10th, 11th and 12th), a banner or a souvenir will be exchanged between the two playing teams before the start of each game.
19. A team, subscribed for the tournament but not appearing, will be fined 250 Euros.
20. The participating players and members of staff have to be insured at their own national football association. Nor the local club KHO Bierbeek, nor the organising committee VZW Euro-Bierbeek can be held accountable for accidents of any kind or for theft of objects occurring on or around the grounds or in the dressing rooms.
21. Each team, participating in the main tournament (August 10th, 11th and 12th), has to attend the final ceremony on Sunday August 12th 2018. This ceremony will start between 17.30 and 18.00 o'clock. See the tournament schedule or check our website (<http://eurobierbeek.org>) for more information.
22. A team violating the regulations will be fined 250 Euros.

## Technical regulations.

23. Every team will bring their own balls for warming up. Teams are NOT allowed to do their warm-up on the fields 1, 2 or 3; these fields are used exclusively for the football matches. A specific field for warming up is situated on the left side of the field no. 3. Only 5 minutes before the start of a game, the two opponents are granted access to the indicated field.
24. Because of the international character of the U13 Euro Tournament, all games will take place on a complete soccer field, with two teams of 11 players each. A maximum of 5 substitutes is allowed in the dug-out.  $11 + 5 =$  a total of 16 players for each team.  
The games will be played according to the rules and regulations of the Belgian Football Association (KBVB) for 11-to-11 games (some exceptions: see below). All referees and linesmen are members of the KBVB or UEFA.
25. Each player should wear shin guards in every game.
26. Corner kicks have to be taken from the corner flag.
27. The goal kick is taken from the 16 meter line of the penalty area.
28. A player receiving a yellow card can keep on playing. However, if this player is punished with a second yellow card during the same game, he has to leave the playing ground immediately and he cannot be replaced by one of the substitutes. Furthermore, he will be automatically suspended for the next game of his team.
29. A player receiving a red card has to leave the playing ground immediately and he cannot be replaced by one of the substitutes. Furthermore, he will be automatically suspended for the next game of his team. Eventually, the organising committee might impose additional disciplinary measures.
30. Substitutions: these are allowed permanently, but they can only occur when the game is paused and/or when agreed by the referee. During each half of the game, each team can replace a maximum of two players by a substitute. During the half-time interval there is no limit to the number of substitutes being lined up. Players that were replaced before in the course of a game may always resume this game again later on.
31. Duration of the games: see the tournament schedule or check our website (<http://eurobierbeek.org>) for more information.
32. Ranking:
  - A. A ranking in each group will be made, depending on the number of points obtained:
    - 3 points for a victory,
    - 1 point for a draw,
    - 0 points for a loss.
  - B. In case of an equal number of points, the following criteria will apply in the specified order:
    - B1. the number of victorious games,
    - B2. the goal difference,
    - B3. the number of goals scored,
    - B4. the result of the mutual game played (\*).(\*). If more than 2 teams are ranked equally in their group after applying criteria A, B1, B2 and B3, a ranking between them is established based on the same criteria (A,

B1, B2 and B3), but only counting the games between the equally-ranked teams. If necessary this procedure is applied recursively until a complete ranking is reached or it becomes clear that it is impossible to break the tie this way.

- C. If some teams are still ranked equally, after application of A and B, a series of penalty kicks will be taken, potentially prolonged until there is a winner.
- D. At any time, the organising committee can decide to let a toss break the tie, in case of force majeure.

### **General regulation.**

- 33. By participating in the tournament every team subscribes to these regulations. Each dispute, not explicitly mentioned in these regulations, will be settled according to the rules of the KBVB. The organising committee will make a decision on the spot. Any complaint must be submitted by means of the correct documents at the secretary's office or administration room within 15 minutes after the end of the match concerned. The decision of the committee is without recourse.
